REFLECTIONS

The stage is strewn with light cords and coffee cups, discarded sheets of muslin and half-filled cans of paint. Two flats waiting to be primed rest against the back wall; a brocade gown, its sleeves still pinned in place, lies folded on an empty chair. Lunch break.

At one o'clock, all is set in motion again. Curtis Betts, in charge of lights, moves quickly between kleigs and spots, counting bulbs and taking notes. The flats, now on the floor, are primed by M. J. Welling and Allison Andrews while Paula Wood and Claire Hamilton tack strips of muslin and tape over the last of the flats. Dana Stickney, Flash Gordon, and Matt Murray, all three bent over a single can of paint, ponder the virtues of "olive green". Danny Chase and Ric Gifford, with Dale Barrows close by, hammer and saw what is, at last, beginning to be recognizable as a bridge. Danny and Ric, actors as well as crew members, run lines oblivious to the

fact that they cannot be heard.

That brocade gown is now in the hands of costume designer Pat Finn. A resident of Marion and parent of "Kiss Me Kate" dancer Perdita, Mrs. Finn has designed the costumes and set for the production, and from a mountain of swatches and sketches, pads and books, she directs her seamstresses and, with one of her assistants, Mrs. Judy Gurney, oversees the fittings. That olive green regarded so dubiously by her painters will be the perfect complement to the gown at hand.

From the pit can be heard the quiet directions of orchestra conductor and music teacher Mr. Gary Thomas. The musicians, at various stages of readiness, talk, eat, unpack and tune up. From this organized cacophony will soon flow the melodies of Cole Porter.

Down the hall, Mr. Robert Reinhagen, ORR's music coordinator and the musical's vocal director, works with two of the show's principals, Spencer Gurney and Dori Ripple on their duet "Wunderbar", a lovely lyrical song with wonderful comedic touches. Again this year, Mrs. Helen Tibbetts plays the piano for rehearsals and performances.

The waltz tempo of that song contrasts to the beat of the soft shoe routine being practiced in the next room. There, Mary Kate Worden, the show's student choreographer, counts out the steps to "Bianca", a number sung and danced by James Pasquill and a bevy of cane-swinging and soft-stepping

How far away should your bank be?
That's easy.
As far as ours.

Maybe you choose a bank because it's nearer your job or home. But we've got a feeling that distance wouldn't mean a thing once you discovered what our bank has to offer.

You can reach us quickly from almost any direction. And probably faster than you can get to where you're banking now.

And when you get where we are, you'll find lots of easy parking, ready access to inside banking via our new red brick safety walks.

Or, if you like the ease of drive-up banking or the privacy of doing your banking business fast with an automatic teller, we have those, too.

But most important, we feel, is our competent and courteous banking professionals who are ready to treat you like the important person you are.

C'mon over, now, to our bank.

Mattapoisett Track Club

The Board of Directors has been busy organizing a fund-raising drive that will take place during the month of March. The purpose of the drive is to raise $3,000.00 in order to pay off the note on the bus and pay for the operating costs for the coming season. Blue and yellow containers with a photo of the bus will be placed in businesses throughout Mattapoisett, Marion and Rochester to accept contributions.

The directors would like to thank the Nest Pizza Pub, the chaperones and all of the young people who attended the vacation dance. As usual, Mr. Mello and his music were outstanding.

Again, we are indebted to Tremblay's Mini-Bus and in particular David Tremblay for his time and patience. Thanks to him the club now has three licensed school bus drivers.

The summer track season will soon be here. We urge anyone who intends to compete this summer to take part in their school program this spring.

This weekend, March 5th and 6th, the paper van will be parked on the Barstow Street parking lot of the Mattapoisett Congregational Church to receive all your waste paper products. Be sure all paper is bundled and tied properly. This community service is made available by the

Rochester Story Hour

Do you have an hour to spare once a month? Would you like to share it with some delightful young children? Under the sponsorship of the Rochester Woman's Club, a pre-school children's story hour is being organized. We hope to begin in the spring, holding the sessions at the Plumb Library on Wednesdays from 2:00-3:00 P.M. We will need people willing to read to the children. We will also need other people who will help to supervise the children. And, of course, most of all, we will need children (including kindergarteners who are home afternoons). An organizational meeting is being held at the library on Saturday, March 12th, at 3:00 P.M. If you are interested in volunteering some time to this project, please join us for the meeting. If you wish to register your child, please drop in and give us the child's name.
All are welcome to join in - you needn't be a member of the Woman's Club. If you have any further questions, please call 763-5952 or 763-4597.

Council on Aging

TRIP TO THE FLOWER SHOW

The Mattapoisett Council on Aging is arranging a trip to the Flower Show in Boston on Thursday, March 24th. The bus will leave the American Legion Hall on Depot Street at 9:30 A.M. and leave the Flower Show about 3:30 P.M. The Council on Aging will pay for the bus trip, which is available to all Seniors in Mattapoisett whether members of Mattapoisett Seniors or not. Each Senior taking the trip must pay his or her admission in advance, and either carry or buy his or her own lunch.

The Horticulture Society has informed us of a new provision in buying tickets this year. In order to get Senior tickets at half price, we must send in our order by March 1st. This means that the Council on Aging must purchase the tickets in advance of reservations, as this new rule was just announced to us. Therefore, we must limit the trip to one bus-load of 49 people. Trip reservations up to this limit may be made by calling the Council on Aging at the Town

Children's Museum

SUGARING OFF

This Saturday morning, the Children's Museum will boil down sap collected from its sugar maple trees into maple syrup. Director Bob Lucas will explain what sap is, where it comes from and what it does for the tree. Visitors will then see the tree being tapped, the sap collected and then boiled down to syrup.

This program is a free program offered to all interested adults and children accompanied by an adult. It will take place at the Museum Outdoors, 100 Old Westport Road in North Dartmouth, on Saturday morning, March 5th, at 10 A.M.

STRAW PAINTING

This Saturday afternoon at the Children's Museum, Jeff Dallaire, a Dartmouth Middle School student, will teach the children how to do straw painting. Straw painting is a new exciting way for children to paint, using a drinking straw instead of a brush.

The straw painting program will take place at the Children's Museum in Russells Mills this Saturday afternoon, March 5th, at 2:00 P.M. A small admission fee is charged to non-members and it is free for members. To register for the program, please call 636-4688.

Mattapoisett Grange

Due to a problem with the heating system Sippican Pomona will not be holding its monthly meeting in Mattapoisett Grange Hall on Saturday, March 5th, but will meet in the Grange Hall at Acushnet, same day and date.

BOOSTERS' PROGRAM

For Mattapoisett Grange, a committee is being arranged for a very interesting day in May when a Booster program will be held.

Monday, in one of the most exciting games of the season, Paul Levine sunk the 1st basket for the Purples who were able to tally 10 points before a nice swish was sunk for the Orange team by Scott Purtell. The first quarter ended with Purple 12, Orange 2. Paul Levine again opened the 2nd quarter with a Purple basket. A nice steal followed by a layup by Scott Purtell of the Orange. The first half ended with champion Orange team trailing 22-6. In the third quarter we saw John Pothier of the Purples get the first basket. A beautiful long shot just before the whistle

by Scott Purtell gave the Orange 12 to the Purples' 32.

The fourth quarter was an active and frustrating one. Things looked discouraging for the Orange who with only 2 minutes left were trailing 20 points. When the time whistle was sounded, the Orange team with 38 consecutive wins bowed to the Purples 40 to 16.

In the second game of the evening it was Whites vs. Reds. Russ Bailey of the Whites started things going with the first 2 baskets. The first quarter ended with Whites 8, Reds 0.

With 2 minutes left of the second quarter the Reds scored with a basket by Matt Downey followed by one by teammate Gary LeBlanc. Russ Bailey scored 1 for the Whites and the first half ended with the Whites leading 10-4.

In the first seconds of the second half, Chris Carvalho sunk a 20-foot swish. Two good foul shots by Chris Lomba, the Whites won 22-8. Highest scorer was Russ Bailey of the Whites with 8 points.

Friday's first game was Orange vs Green. In the first quarter Orange scored 13 points and Greens 0. With the help of Mike Lynch the Greens picked up 8 points in the second quarter but not enough and the Orange team was leading 22-8 at half time. In the third quarter 22 points were scored for the Orange and 2 for the Green. The Orange overpowered the Greens 50 to 14. Unfortunately for the Greens their usual high scorer Terry Bassett was not in the game. Mike Lynch was high scorer for the Greens with 8 points and for the Orange team Scott Purtell with 12 points, Tim Quinlan 12 points, Mark Riley, 10 points; and Mark Kroninger with 10 points.

In the second game of the evening Blacks and Purples were running a close score in the first half with the Purples 13 and Blacks leading with 16. In the second half thanks to Phil Barber the Purples took off and won the game 37 to 26. Scoring for the Blacks were Chris Riley with 18 points and Drew Frazee with 8. For the Purples were Paul Levine, Phil Barber and Steve Lopes scoring

VOTERS OF MATTAPOISETT

I am a candidate for the office of Selectman, and would deem it an honor and a pleasure to represent you as your Selectman for the next three years.

I have had the pleasure of serving the people of Mattapoisett in the past as a Police Officer and also as Wharf Commissioner this past year.

I have been instrumental in setting new rules and regulations for the Town Wharf which the voters of Mattapoisett will act on at the next Town Meeting.

As your next Selectman, I would continue to represent the people of Mattapoisett in what is best for our town.

for the winning Purples.

On the 19th it was the Golds vs. the Reds. High scoring in the first quarter by the Golds' Dave Hubbard and Dave Talty gave the Golds a 12-point lead. In the second quarter the Golds failed to score any points and the Reds were only trailing by 4 points. In the third quarter it looked apparent who would win when the Golds scored 17 points and the Reds 2, giving the Golds a 19-point lead. Only one basket was made in the fourth quarter and that was by the Golds' "Putt" LaPlante. In an exciting game, with 4 of the Reds absent, it was the Golds who won 33-12. High scorer for the Reds was Chris Carvalho with six points. For the Golds we saw "Putt" La Plante with 8 points, Dave Hubbard 10 points, Sam Nicolosi 4 points, and Dave Talty high-

NATURE LUNCHEON

The Women's Awareness Group of the YWCA will sponsor a natural food luncheon on Thursday, March 10th. The luncheon of enchilada bake, cheese bread sticks, salad, tea or juice and peanut butter log will be served at noon.

The menu was planned on the principle of protein complementarity, the combining of seeds, legumes (peanuts, beans and peas), grains and dairy products to produce a high quality protein meal. Foods, free as possible from additives and contaminants, and foods in their "whole" state will be used.

Tickets may be purchased from any member of the Awareness group or at the main desk of the YWCA.

ENGLISH GOTHIC ARCHITECTURE IS SUBJECT

Mr. Thomas Hauck will discuss English Gothic architecture at the YWCA Wednesday luncheon on March 9th. An affiliate of WHALE (Waterfront Historic Area League), Mr. Hauck will explain how this type of architecture developed and why it was used.

The soup and sandwich luncheon begins at noon and is open to the public.

in March and going each Friday through the first Friday in April. Five Fridays at 7:30 P.M

Here's the schedule that will put excitement in your Friday nights during this mid-winter, not-much-to-do period!

March 4, we'll begin with the dancing of Fred Astaire and Ginger Rogers in "Top Hat", which was a sell-out classic during our Summer Festival. Another classic, "Wuthering Heights", with Laurence Olivier and Merle Oberon, will be shown on March 11. No film series of the classics would be complete without Alfred Hitchcock's thrillers. Cary Grant and Ingrid Bergman in "Notorious" will be on March 18. Our fourth film on March 25 is "The Thin Man Goes Home" with Myrna Loy and William Powell. Finally, the Marion Art Center has reserved screening rights to the original version of Charles Dickens' "Great Expectations" starring John Mills and Jean Simmons, to be on April 1.

Hope to see you there!

For information please call the Center at 748-1266 Wednesday through Friday and Sunday, 1-5 P.M. By subscription or admission.
